| Fixed Phone Comparison [*] | Local Calls | Mobile Calls | STD | IDD |
|-------------------------------------|-------------|--------------|-----------|------------------|
| E.Tel (H. prepay) | 15c/call | 8.8c/30sec | 4c/30sec | 1c/30sec (China) |
| Telstra (H. Com. plan) | 22c/call | 19c/30sec | 12c/30sec | none |
| Optus (H. Ph plan) | 22c/call | 17.5c/30sec | 9c/30sec | none |

^{*} The comparison figures are extracted from each service provider's website respectively when compiling this comparison chart, dated 01/05/2010. For reference only.

* Dial prefix 1414 + phone number that you wish to call to enjoy the special low call rates, billed by E.Tel. Without dialing this prefix 1414, you will be billed by your existing carrier/service provider.

Rates listed above are per 30 second increment, except local calls:

- 1c/30sec for calls to China(+mobile)
- 1.5c/30sec for calls to Canada (+mobile), Hong Kong (+mobile), Singapore (+mobile), Taiwan, USA (+mobile), etc.

Unless (+mobile) specified, calls to mobile are not included. Please choose a maximum of 3 special low call rate international destinations.

19c flagfall applies to all calls except local calls.

This special rates only apply to prepaid account users.

More details overleaf.

Simple is Best!

summary of terms and conditions for Big Saver service:

1. Service provided includes standard, national calls, and international calls (special mobile call rates may apply to specific countries). Dial prefix 1414 + the phone number that you wish to call, which will be billed by E.Tel based on the special low call rates. Without dialing the prefix 1414, the calls will be billed by your existing carrier/service provider. 2. To apply this Big Saver plan with E.Tel, simply fill in the application form. Please make sure that your phone does not currently have other override service 1414 with other company (you cannot use the same override code with other service provider at the same time). 3. There is no expiry date of the credit amount in your Big Saver account. The \$50 can be shared with e.mobile autopay account. 4. Any credit purchased is neither refundable nor transferable after activation. 5. Please visit www.etel.com.au for your calling details and latest credit balance. 6. Highly recommended for customer to use auto-recharge by providing credit card or bank account detail. If your account payment is not via credit card or bank account auto-recharge, a minimum of \$10 must remain in your account at any time to avoid suspension. 7. E.Tel will make every endeavour to notify the customer to recharge when your credits expires or upon reaching your credit limit. E.Tel may increase your account credit limit depending on your credibility history. 8. Due to the nature of this prepay billing account, there may be more than 2 days delay in retrieving call data from our carrier provider. Even if you run out of the credits, you are responsible to pay for all usages of your account including delayed transaction items. 9. A \$0.88 monthly account maintenance fee applies to every account. 10. E.Tel reserves the right to terminate the service in suspected cases of misuse or abuse, and also the right to terminate the service to those with suspicious or unreliable credit histories. Please refer to our Fair Use Policy on www.etel.com.au. 11. If your account remain inactive for 12 months, it will lead to disconnection. 12. All prices listed are GST inclusive. 13. This Big Saver plan is subject to modification, withdrawal or supplement if necessary. 14. Please regularly visit our website www.etel.com.au or call 1300 38 35 88 for up to date call rates, terms, conditions, and relevant amendments.
